SUMMARY

I am an aspiring frontend web developer seeking an environment to develop and display my skills through dedicated principles and protocols to the highest professional level in the field.

EXPERIENCE

2020 /September – 2021/August
Junior NOC Engineer, NITA, Accra
- I was part of a team responsible for continuously monitoring the performance and health of a network and the first line of defence against network disruptions and failures.

2020 /April – 2020/June
Intern-Data Analyst, Kudigo, Accra
- As a remote intern, I inspected, cleaned, transformed, and modeled data with the goal of discovering useful information, informing conclusions, and supporting decision-making.

EDUCATION

Azubi Africa
AWS Certified Cloud Practitioner
January 2022 - Present

Ghana Technology University College-Coventry University
Bachelor of Science (Computing)
2017 - Present

Presbyterian Boys Secondary School-Legon
WASSCE
2014 -2017

SKILLS

- Familiar with basic Frontend (HTML, CSS, JavaScript)
- React framework usage
- Microsoft Excel
- Web hosting technology (Netlify)
